Frequently Asked Questions - Decision on CCWC 2020

Following the [announcement](#) last week regarding the decision on the 12th IDBF Club Crew World Championships (CCWC) in Aix-les-Bains (France), a number of questions were asked by athletes via email and on social media.

To help address these questions, we have put together a series of [Frequently Asked Questions \(FAQs\)](#) that cover:

- Reasons behind the decision
- Deposits (administrative and hotel)
- Impact of the cancellation on European clubs
- Event insurance
- Qualification for CCWC 2022

The decision to cancel was not an easy one. There is a strong probability that the pandemic will still be active in 2021. Until such time a vaccine is widely available, any large group activity is at risk. There was much deliberation and consultation, taking into account the views of the athletes, our members and the current and future organising committees.

We hope that the [FAQs](#) provide some clarity on the decisions made and understanding behind the complex situation brought on by COVID-19.
